

Motion 1504SCH1

To approve moving the dates for the 2016 Short Course Far Western Championship meet from March 31 - April 3, 2016 to April 7-10, 2016.

Discussion: PLS has requested this change primarily because this would enable the attendees to be able to use the nearby high school parking lot rather than needing to try to find on-street parking nearby which is extremely limited. This request is in compliance with Policies and Procedures Section X, Para. 9.0 as amended at the Feb. 25, 2015 meeting of the Board of Directors.
