

Pacific Swimming is pleased to announce our GoSwim Video of the Day

Coaches can sign-up for free, and receive a GoSwim Technique video everyday.

Subjects will range throughout the week, and will be chosen from the library of nearly 3,000 videos. GoSwim videos feature some of the greatest swimmers, teaching series from Steve Haufler, hundreds of Drill and focal point videos.

Videos within the GoSwim library are easily searchable by Stroke, Level of Expertise and Fine Point... the details within the stroke.

Coaches are also encouraged to get a full Coach Account to GoSwim, which allows you to share a video everyday to up to 100 swimmers. In addition, GoSwim has in place a fully COPPA Compliant system that allows you to film and share your own videos, privately with your own athletes.

If you already have a GoSwim account, please sign in first.

A screenshot of the GoSwim registration form. The form is titled "Invitation to Join Pacific Swimming Training Group". It includes a "Your Birthdate" section with dropdown menus for Month, Day, and Year. Below that is a "Full Name of Athlete" section with a text input field containing "BILLY JONES (SPEEDY)" and a label "First-name Last-name or Nickname". A blue button labeled "REDEEM INVITATION AND CREATE ACCOUNT" is positioned below the name field. At the bottom of the form, there is a link: "Already have an account? Sign in first." with a red arrow pointing to it.

GoSwim complies with COPPA regulations.
