

**Recent Focus & Accomplishments:**

- 1) SWIMS 3.0 and OMR: There are still many frustrating challenges in the roll out of the SWIMS 3.0 and the introduction of Online Member Registration. USAS Tech Support has struggled to keep up with the support tickets; Laurie, and sometimes Cindy, continue to help resolve those issues. SWIMS 3.0 updates happen 2-3 times per week. Corresponding training materials become obsolete after just a few days. As each component of the interface or reporting is introduced, it's soon updated to reflect the requirements of the end users. We are essentially in one long beta test with SWIMS 3.0
- 2) The staff are focused on preparing for the upcoming events on the LSC weekend, including PacSwim Awards, Officials Clinic, Coach Clinic, and Athlete Leadership Summit.
- 3) The staff meet every 2 weeks with David Cottam, Leo Lin, Mary Ruddell, and Verónica Hernández. The minutes from those meetings, which includes detailed information on the work of the staff, can be found in the Staff Meeting Minutes report posted on the Board Documents page.
- 4) We are seeking a part time employee to help assume some of the duties that were previously allocated to Jeanette and to assist with alleviating some of the current workload.

**Updates on Upcoming Activities:**

- 1) LSC Weekend & Other Events: Primary focus for the next few weeks will be the upcoming LSC weekend that include the Officials Clinic, Awards Banquet, Athlete Summit, HOD, and Coach Clinic. After mid-October, the focus will move hopefully adding a staff member, working on the Pac Coast All Stars and OTC Camps.
- 2) SWIMS 3.0: We will continue to support the SWIMS 3.0 and provide support/assistance for clubs and members who are struggling to get fully on board with the program changes.
