Additional Notes or Comments:

Cindy Rowland, Administrative Director (*Liaison to Finance, Investment, Audit, Camps & PC Admin BoR*):

Report of Recent Activities:

1. Went to Colorado Springs with 2023 OPTC Camp and our caps were delivered on Thursday afternoon, so again, I cannot say enough good things about the Simply Swim Caps as a vendor. The trip was good, but as with many things, we did spend more time than usual working on behavior with

some of the team members, as this was a pretty young team (we also talked about putting some additional qualifications like coach recommendation or a minimum time requirement, because this group was very young). Todd does an exceptional job of leading this camp each year and really makes it special for the athletes and coaches by also focusing on skills outside the water that will serve them well in any team environment. He also works very collaboratively with the other coaches and they always work well as a team.

2. Completed Self Assessment.
3. Sent reminder notices last Thursday and Friday to all clubs that are unpaid and got several responses acknowledging they forgot or they'll get a check out etc. We have 14 clubs that renewed but have not yet paid, and 4 clubs that haven't renewed that we may remove from the aging until they renew - though one of those clubs (Willits) appears to be practicing. Overall, these invoices represent about 8% of the total aging of \$35K - everything else is mostly Meet proceeds.
4. Picked up ZAM sweatshirts for the meeting this weekend, also have received the bag tags and the caps for the meet as well. I will be headed up to Rohnert Park on Friday-Sunday and will have trophy for the ZAM Meet
5. Attended Board of Directors Meeting, Personnel Committee Meeting, Truclusion Gender Identity Language session and Personnel Committee staff review meetings. Set up weekly invoices and send out the invoices post meet for meets.

Report of Action Items Prior:

Current/Short Term Goals: Clear outstanding AR, setting up new computers for staff, ongoing work with personnel committee, employee reviews, check on HOD locations in South Bay

Medium/Long Term Goals: Employee Handbook - outstanding items, Employee Reviews,

Additional Notes or Comments: May HOD - we do not have a location currently for that meeting. If we are going to do it in San Jose, we need to start looking for a location.

Additional Notes or Comments:

Annie Stein, Meet Management Coordinator (*Liaison to Scheduling, Senior & Age Group*):

Report of Recent Activities: Report of Action Items Prior: Meets sanctioned through 23-039. All but 23-039 loaded into OTS. Bid package for 2023-24 Schedule went out. Very few bids received. Extended deadline through next Monday (2/27). Missing bids from a couple traditional hosts. Second notice No-Show fine notice past due for one athlete (from MAC Senior 2). One athlete still in appeal from Winter AG Champs? Summer FW Meet Sheet in process. Gender Identity Training 2/21. Reviewed a few sections of P&P for Leo.

Current/Short Term Goals: Review Meet Sheets as they are received. Meet Director Packets to be distributed as needed. MEFAP Entry processing as necessary. Bid awards (another e-mail out to membership as a reminder? E-mail traditional hosts individually?)

Medium/Long Term Goals: Hosts for remainder of 2022-2023 Meets (Summer Sr 2 P/F, Early June Senior Open). Talk to Tony to reach out to Senior coaches to find potential hosts?

Additional Notes or Comments:

Karen Bair, Admin Asst:

Report of Recent Activities: Report of Action Items Prior: 3 hotels are being used for ZAM, rooming lists were provided by the zones and given to the hotels. All coaches and chaperones are members in good standing. Cindy will pick up the key cards for Zone 2, I will pick up the key cards for Zone 3 and Zone 4, but Zone 1 North and Zone 1 South won't receive their key cards until they check in. Dietary restrictions were received, and the caterer has been updated. Busing set for all ZAM zone teams. Cindy ordered the sweatshirts, and Bag Tags were ordered for ZAM, Spring Championship, and Far Westerns. Western Zone flight reservations are made, and the deposit paid. Much cheaper (\$8,000) to fly out of Oakland.

Current/Short Term Goals: Attending ZAM meet this weekend—hoping for good weather. The weather is worrisome—especially for Zone 4. I will arrive early at the venue on Saturday, to help with apparel distribution. And I will arrive early at the banquet venue to help the caterer, and go over the facility with the manager.

Medium/Long Term Goals: Additional Notes or Comments: Researching busing for Western Zones. A busing company was located, with 2 school buses (44 person capacity). But they don't do contracts, although they would be willing to read if I write a contract. I have contacted the hotel manager, and they don't have a shuttle for our large group to get us to the airport, and she suggested walking the .5 miles. She offered to provide a video of the walk. Setting up Calendar for meetings (including zoom invitations). Admin jobs as needed .

Karen Bair, Admin Asst:23

Report of Recent Activities: Report of Action Items Prior: The 2023 ZAM meet was quite an experience. The banquet was a success. The food was great, the athletes were hungry! Zone 4 was unable to attend the 2023 ZAM meet, due to the worsening weather conditions. They made the decision 48 hours prior to the scheduled departure, and our busing contract required 72 hour cancellation for 100% refund. I managed to get a partial refund, and a \$500 credit, which is not much. At the ZAM meet, Cindy and I sat together in an alcove, and she answered many of my questions regarding the Western Zone meet. **Current/Short Term Goals:** Working on a contract for the transportation for Western Zones. Per my scheduling manager, they don't "do contracts"---but we are on the schedule. But they would be willing to look at a contract, so I am working on that, after I get a better understanding of the cost. Also, we may be able to use only one 44 passenger bus, as the venue is less than 3 miles from our hotel. I contacted Kelly Schott about attending the next Safe Sport meeting, and I will be in attendance for the next meeting, which is March 12th. Updated applications for Western Zones.

Medium/Long Term Goals: Additional Notes or Comments: Researching food options for Western Zones, and getting the addresses of the nearest Costco and WalMart. Working on apparel for the Western Zones, backpacks and tshirts. Still need a design for the meet.
