Cropper Accountancy has been engaged to complete the Financial Statement Audit for the period ending August 31, 2021. All financial records to be handed over for Audit on December 1, 2021.

Cindy has been working on the Employee Redemption Credit. It is a tedious process. Intuit requires several reports to be filled prior to refiling tax documents. The amount of funds we should receive will off set the time and energy Cindy has spent on this task.

Adjustments have been made to the administration of both the MEFAP and the Invoicing programs. For the MEFAP program, we have adjusted the way we collect splash fees from the athletes who are participating in the program. For the invoicing program, we are publishing results upon receipt. League meets are still subject to submitting the meet referee report prior to the posting of results.
